Your Attendance Matters!!
Please remember to call school, send a note, or email your child's teacher to inform the school the reason for your child's absence if they miss school. If no contact is made, the absence is marked as unexcused. We are proud to say we have improved our school attendance rate this year. GO NVE!!

Nurse Broadus notes:
Any medications, including over-the-counter need to have proper paperwork filled out and on file prior to administration. Please remember that students cannot take medications home with them. Remember that if the student has been sent home, students will need to be fever and vomit free for 24 hrs. before returning to school. Thank you!

Happy Holidays from all of us at NVE.
